OFFICERS SELECTED BY DELEGATES AT P. E. O. SESSION

LOLA BENNETT OF ORANGE IS CHOSEN PRESIDENT; GIFTS TO RETIRING LEADERS

Much important business was cleared up at the closing day of the P. E. O. convention at Burbank yesterday, foremost of which was the election of officers.

Final reports were heard and accepted and the following officers for the ensuing year were installed by Miss Helen Townsend of Indianola, Iowa, supreme P. E. O. president.

Lola Bennett of Orange, president; Maude Clock of Long Beach, first vice-president; Ione Campbell of El Centro, second vice-president; Ollie P. Cramer of Los Angeles, organizer; Katherine Fehren of San Jose, recording secretary; Faith Story of Burbank, corresponding secretary; LaBelle Townsend of Los Angeles, treasurer.

Delegates were elected to attend the supreme convention, which is to be held in Kansas City in October.

Invitations Extended

Pasadena extended an invitation for the state organization to meet in that city next year, at which time two Pasadena chapters and two South Pasadena chapters will entertain.

Santa Barbara also extended an invitation for the state organization to convene in that city the following year, but no action was taken on this invitation.

Many gifts of appreciation were given the retiring state officers for the work they had accomplished during the past year.

Mrs. Lillian M. Garrett, retiring state president, was presented with a lamp from the three entertaining chapters at the convention, which included Chapter AH and Chapter BA of Glendale and Chapter U of Burbank.

One of the Glendale members of Chapter BA had quite an honor bestowed upon her at yesterday's convention, in that she was the only member, outside of officials, who was called before the convention and introduced., The one so honored was Mrs. C. H. Toll, member of Chapter BA of Glendale and president of the Los Angeles Ebell club.

Presented with Trumpet

The nine chapters which had been organized during the past year by Mrs. Ollie P. Cramer presented her with a trumpet, attached to which were nine different colored ribbons, at the end of each was tied paper money. Mrs. Garret's own chapter presented her with a velvet cape, containing gold pieces. The convention also presented the retiring president with a piece of table silver.

The supreme president, Helen D. Townsend, was presented with a very handsome brooch.

Thus did the third and last day of this successful state convention close yesterday at Burbank.

Colonel Thornton Home Is Sold, About $30,000

In the announcement of the sale of the Colonel Tom Thornton residence at 301 North Brand boulevard, there is another landmark passing before the progress of the rapidly developing Brand boulevard business section. With its beautiful grounds, the big home place will be stripped of its house which will be moved to another lot and within a few months there will undoubtedly be a business block built on the corner of Brand boulevard and California avenue.

The deal, which was made by H. E. Rice of the H. L. Miller company, 109 South Brand boulevard, represents a consideration of upwards of $30,000, the exact price not being made public. It is one of the few close-in corners which have not been improved with a substantial structure and the constant demand for more store buildings had led to the investment by one of Glendale's most prominent builders.

Mrs. A. H. Lapham Is Bridge Club Hostess

Mrs. A. H. Lapham of 415 West Broadway was hostess yesterday to the members of the Foster Bridge club. Members present were Mrs. Cora Ramsey, Mrs. C. E. Norton, Mrs. A. H. Montgomery, Mrs. E. W. W. Hayward, Mrs. Helen Campbell and Mrs. Mabel Rudy, and substitutes were Mrs. Clark Jones and Mrs. G. D. Roach. Decorations of poppies were used. High score was made by Mrs. Campbell. At the close of the afternoon refreshments were served.

VISIT FRIENDS AT GARDENA

Mr. and Mrs. R. G. Whitney of East Chestnut street are spending the week-end with friends at Gardena.

Money Due Since 1918 To Rev. O'Neill Would Help Church Finances

Father J. S. O'Neill of the Church of the Holy Family has a week's pay coming to him which he would like to donate to the building fund for the new edifice, the cornerstone of which will be laid tomorrow afternoon with formal ceremony at 3 o'clock.

On November 13, 1918, two days after the armistice was signed he received his commission as a chaplain, dated November 5. It was signed by General Peyton C. March, chief of staff, and he was given the rank of a first lieutenant.

But he received telegraphic orders not to report because of the cessation of hostilities. Yet he was a chaplain for a week and pay for officers dates from the day they are appointed.

Therefore the week's pay is due him and if anyone can explain how he can collect it, thirty odd dollars will go to the church building.

Keeps Right on Going

All for a false alarm of a fire a flivver overturned.

At 7 o'clock last night when the fire department was called out for a second time in the day, Al Moniot, fireman, who was enjoying his day off, followed the Station No. 2 truck north on Brand boulevard.

He got as far as Chaffee's store near Broadway, in the light car.

Then he hit a car driven by S. Belcher of 115½ South Brand boulevard whom Moniot claims in his report to the police was turning between intersections.

The flivver turned over and when helping hands gently turned it right side up to find the driver, Moniot wasn't there. He had reached the scene of the supposed fire by that time.

Evidently he went right through the broken windshield and never stopped.

Take Tip and Pillow

Pillows and papers will be a necessary accessory to the success of the John E. Brown evangelistic meetings.

The pillows for the comfort of those who are to enjoy the services.

And the papers to keep the pillows or clothing from sticking to the resin which will drip from the roof during the warm spring days.

For the tabernacle and its seats are all built of boards.

So take along a pillow and an old newspaper to the meetings.

Glendale Folk Attend L. A. County Gathering

Rev. Clifford A. Cole, pastor, and Mesdames Eva M. Hutton and C. S. Archer, president and teacher, respectively, of the Adult Bible class of the First Christian Sunday school, attended the convention this week of the Union of Adult Bible Classes of Los Angeles county held in the Immanuel Presbyterian church in Los Angeles. Rev. Cole was on the program both Thursday and Friday. The convention was under the leadership of the county secretary, Mr. Gibson, and these delegates report it to be one of the most interesting and instructive they have ever attended. Representatives from Riverside, Anaheim, Long Beach, Fullerton and San Diego were in attendance. In the contest for the largest attendance the honors were won by one of the classes from a Pasadena church having 128 present.

The convention closed on Friday night with two elaborate banquets, one for the ladies and one for the men, at each of which 550 covers were laid.

Sabin Buck Host To Committee Members

The Look-Out committee of Society B of Christian Endeavor of the First Presbyterian church was entertained by Sabin Buck, chairman of the committee, at dinner at his home, 112 South Jackson street, last night. Decorations and place cards were carried out in the society colors, which are purple and gold. Those present were Ethel Preston, Mary McDill, Josephine Rettberg, Everett Anderson, president, and Sabin Buck. A short business meeting was also held.

DAVID BLACK RE-ELECTED

The spring meeting of Los Angeles Presbytery convened in the Second Presbyterian church of Los Angeles Tuesday evening, and continued Wednesday and Thursday. David Black, who has been a member of the Church Extension Board of Presbytery since 1913, was re-elected to serve for three years.

FIRST SERVICES AT BIG TABERNACLE SUNDAY NIGHT

MEETING FOR YOUNG PEOPLE TO BE HELD; HUGE CHORUS WILL PROVIDE MUSIC

The John E. Brown union evangelistic meetings, for which the churches of Glendale have been preparing for months, will start tomorrow night with a great union young people's meeting at 5:45 o'clock. All co-operating churches will dismiss their evening services and unite in the opening service at 7:30 p. m. at the tabernacle, corner Harvard and Orange streets.

A great chorus of 250 singers will be on hand to start off what promises to be one of the greatest evangelistic efforts the city has ever had. Mr. Ironmonger, known to all Endeavorers of Southern California, will have charge of the music during the series of meetings.

A feature tomorrow night will be special numbers rendered by some of the leading choir singers of the city. Rev. Brown has just concluded a successful revival in Hanford and come to Glendale "fresh from scenes of victory."

Big Tabernacle Is Ready

The big tabernacle has been made as comfortable as possible and will be fully ready for the initial meetings. Without doubt standing room will be at a premium on Sunday evenings and tomorrow night will find Glendale crowding the tabernacle, the committee predicts.

A splendid spirit of co-operation is evidenced among the ministers of the city and among the churches themselves and these forces present a formidable front against unrighteousness and wrongs in this community.

"A clean city kept clean" is the slogan and these union meetings will have a most wholesome influence for the future of this fast growing city, leaders in the evangelistic movement declare.

Delegates Are Chosen For W. C. T. U. Session

The W. C. T. U. met yesterday at the home of Mrs. C. A. Brandstater, 401 West Wilson avenue. The meeting was well attended, more than thirty being present. After listening to Mrs. E. D. Yard, president of the Glendale Welfare Council, the union voted to become a member of the same by paying the yearly dues of $5. An appeal was made for bed linen and towels for a local family which was met by a generous response The members were all urged to attend the county convention at Pasadena, April 20, 21 and 22.

The Glendale union is entitled to seven delegates, and they were appointed as follows: Mrs. T. L. Brown, Mrs. Annie Sipple, Mrs. Nanna Palmer, Mrs. Edith Glassie, Mrs. Marie Gifford, Mrs. Edith Dockeray and Mrs. Cora Pettit.

The alternates are Mrs. C. A. Brandstater, Mrs. I. A. Ford, Mrs. A. E. Good, Mrs. Jennie Mottern, Mrs. T. L. Brown, Mrs. E. D. Potter and Mrs. Flora Smith. The next meeting will be at the home of Mrs. G. H. Rowe, 216 South Orange street on May 6.

Business Session Is Held By Music Club

A short business session of the Glendale Music club was held in the music room at the high school, beginning at 7 o'clock last night. In the absence of the president, Mrs. Mattison B. Jones, the second vice president, Mrs. Spencer Robinson, was in the chair. A few matters of business came up at this time, one of which was an amendment to the by-laws. Announcement was made of the community concert to be given by the club May 6. Three federated music clubs of Glendale, the music section of the Tuesday Afternoon club, the Madrigal club and the Girls' Glee club of the high school, will be represented on the program at this time. Solo artists have not as yet been selected. Members of the Glendale Music club will be entitled to bring one guest free of charge. Other additional guests will be taxed 25 cents each. On account of the Madrigal club concert at the Broadway school the meeting adjourned at an early hour.

INDIANA VISITORS HERE

M. H. Ormsby and son, Ray Ormsby, newspaper men from Huntington, Indiana, who are spending the year in California, and Dr. E. E. Willsey of Argos, Indiana, were callers at the office of The Glendale Evening News this morning, and took great pleasure in inspecting the plant. Dr. Willsey, who is in California for the winter, was a former pupil of A. T. Cowan's, when the latter was a school teacher.

MONDAY WILL SEE MILLION MARK IN BUILDING

PERMITS HERE TOTAL $991,050 FOR YEAR TO DATE AT NOON TODAY; $176,127 IN MONTH

Monday morning undoubtedly will see Glendale go over the million mark in building this year. At noon today the record was $991,050 for the year to date and $176,127 for the month.

W. G. Boyd, contractor, took out the permit for one of the largest homes to be built on North Louise street. Miss Bessie L. Field is the builder. He also has the contract for Mrs. Glassie's new house at 460 West California street.

Building permits issued at the city hall during the past 48 hours are as follows:

Miss Bessie L. Field, 10 rooms and garage, 540 North Louise	$7,000
John F. Payne, 5 rooms and garage, 1652 Capistrano	4,000
J. E. Peters, 5 rooms, 440 West Lexington Drive	3,800
J. F. Stanford, 5 rooms and garage, 624 Alexander	3,500
T. W. Kober, 5 rooms and garage, 139 North Olive	2,500
Stanley Collum, 3 rooms and garage, 216 South Central	2,000
Mrs. Glassie, 4 rooms and garage, 460 West California	2,000
Mrs. Mary McEnany, garage, 311 South Brand	400
Mrs. Florence Duey, 2-room garage, 1739 Wabasso Way	400
Wm. Knickhrem, moving house, 927 South Brand, to 207 West Magnolia	300
H. M. Wood, add screen porch, 461 W. Harvard	275

Local Leaguers Attend Meeting At Pasadena

The Pasadena District banquet and rally at the First Methodist Episcopal church of Pasadena was attended by sixty-seven Glendale Epworth Leaguers last night. By peppy yells and songs Glendale Epworthians let the other leagues know they were on the map and also let them know that they are the liveliest league in the district.

The after-dinner speech was made by Dr. W. L. Y. Davis, his subject being "Influence," and who by his inimitable wit and practical wisdom entertained and inspired those present.

After a get-acquainted game and stunts by Pasadena members, the supremacy of Glendale over Pasadena, their rival of the evening, was proven by an indoor relay race in which Glendale was victorious.

Cleveland Residents Are Guests In City

Mr. and Mrs. J. P. Watson of Cleveland, Ohio, were the guests on Friday of Mr. and Mrs. E. A. Lange of 330 Vine street. Mr. and Mrs. Watson came to spend only the winter in Los Angeles, but were so charmed they immediately had their car shipped from the east to Los Angeles and are daily enjoying the beautiful drives of southern California and have planned to remain until June or July.

Previous to this season the Watsons have spent their winters in Florida, but will hereafter come to California.

J. T. Stewart's Father Dies In St. Joseph, Mo.

J. T. Stewart of the C. and S. cafeteria, 111 North Brand boulevard, received word this morning that his father, B. I. Stewart, passed away at St. Joseph, Mo., at the age of 85. He is survived by a widow, four sons and two daughters. J. T. Stewart of Glendale and M. L. Stewart of Pasadena are the only two residing away from St. Joseph, the family home.

Dr. J. H. Kellogg Is Brother's Guest Here

Dr. J. H. Kellogg, for forty-five years medical superintendent at Battle Creek Sanitarium, was a recent visitor in Glendale, at the home of his brother, Dr. P. S. Kellogg, 614 North Louise. He was also the guest of honor at a large reception held in Los Angeles. He is now engaged in putting the finishing touches on two books.

VISITING IN PASADENA

Rev. and Mrs. M. M. Eshelman of 1247 South Maryland avenue are spending the week-end at Pasadena.

Fifty Persons Killed, Millions Loss In Blizzards Sweeping Middle West

IN THE WAKE OF THE STORM

Arkansas—Forty killed; crops leveled; homes destroyed over a wide area; property loss hundreds of thousands of dollars.

Texas—Twelve killed; four counties damaged to extent of nearly $1,000,000.

Wisconsin—Transportation and communication lines paralyzed by nearly foot of snow and sleet, accompanied by high wind; street car lines and interurbans tied up; shipping on Lake Michigan endangered.

Illinois—Seventy-mile an hour gale, accompanied by heavy rainfall does heavy damage to trees, frame buildings and telegraph and railroad lines.

Missouri—Two villages hit by cyclone with light damage.

Iowa—Heavy snowfall and sleet, accompanied by high wind tying up traffic and damaging some property.

Colorado—Heavy snowfall blocking railroads and tying up telegraph and telephone wires.

Nebraska—Heavy snowfall with wires down and railroads blocked.

Today's World News In Brief

(By United Press to Glendale Evening News)

NAVAL OIL RESERVE LANDS OPEN TO PRIVATE DRILLING

WASHINGTON, April 16.—Secretary of the Navy Denby announced today that naval oil reserve lands in California will be opened immediately for drilling by private interests.

SALES TAX MAY NOT BE ENACTED BY PRESENT CONGRESS

WASHINGTON, April 16.—A sales tax bill will not be enacted by this congress, Representative Mondell, Wyoming, Republican leader of the house, confidently asserted today.

HEAVY LOSS TO GRAPE CROP IN SACRAMENTO VALLEY

SACRAMENTO, April 16.—Severe frosts in the Sacramento valley for the past three days caused a large loss in the grape crop, according to reports received here.

CROP DAMAGE CAUSES WHEAT TO ADVANCE IN PRICE

CHICAGO, April 16.—Wheat advanced 2½ cents to 5 cents on the Chicago board of trade today, due to crop damage as the result of the storm now raging throughout the west and middlewestern states.

APPOINTMENT OF HERRICK IS ACCEPTABLE TO FRANCE

PARIS, April 16.—Premier Briand despatched a message to President Harding today accepting appointment of Myron T. Herrick as ambassador to France. He expressed gratification at the return of Herrick to the Paris embassy.

WEALTHY GRAIN BROKER IS FOUND GUILTY OF FORGERY

OMAHA, April 16.—A jury in federal court last night found William P. Richter, formerly a wealthy grain operator on the Omaha exchange, guilty of uttering forged bills of lading for corn that did not exist. Richter was alleged to have forged signatures to bills of lading amounting to $45,000. He lated failed for $500,000. Sentence was withheld pending a motion for a new trial.

STRIKING COAL MINERS DETERMINED TO REMAIN OUT

LONDON, April 16.—Striking coal miners, deserted by their allies of the triple alliance, determined today to "carry on" pending a general conference of representatives of all sections next Friday. The announcement was made by Frank Hodges, secretary of the miners' federation, following a meeting of the executive council which adjourned at noon. He said that work would not be resumed anywhere until next week's conference had decided upon a course of action.

SAMUEL GOMPERS, AGED 71, IS WEDDED; BRIDE IS 38

NEW YORK, April 16.—Samuel Gompers, seventy-one years old, president and founder of the American Federation of Labor, was married here today to Mrs. Gertrude Ainsley Gleaves Neuscheler, thirty-eight, artist, formerly of Zanesville, Ohio. Gompers and his bride left New York at noon on a wedding trip to Toronto, Can. The marriage ceremony was performed at the Hotel Woodward by Judge Robert Wagner of the New York factory inspection commission.

OFFICERS ELECTED BY BROTHERHOOD OF YEOMEN

SACRAMENTO, April 16.—Election of officers last night closed the quadrennial state convention of the Brotherhood of American Yeomen here. A drill team competition was held at the closing session. Delegates elected are: E. Burton, Pasadena; Emma B. McAdams, Los Angeles; W. H. Simpkins, San Jose; Vita Paul, San Diego; J. C. Kinkaid, Manteca; G. W. Anderson, Concord; Oscar Williams, Hawthorne; Leon J. Crooker, Los Angeles; Alice M. Jones, Fresno, and N. Adair, San Bernardino.

FAVORABLE REPORT ON VOCATIONAL TRAINING BILL

SACRAMENTO, April 16.—The senate finance committee late last night reported out favorably the veterans vocational training bill calling for an appropriation of $500,000 and the veterans' welfare board calling for a revolving fund of $1,000,000. This action followed the appearance before the committee of Buron Fitts, state commander of the American Legion and other legion executives. The veterans' welfare board will be composed of five members, four of whom shall be veterans. The $1,000,000 appropriation will be used as a fund from which not more than $10,000 can be loaned on long terms to individual disabled veterans for the purchase of farms where they are capable of conducting farms.

BUILDINGS GO DOWN, CROPS DESTROYED, ROADS BLOCKED

PART OF ARKANSAS AND NORTH PORTION OF TEXAS IS STRUCK BY TORNADO

CHICAGO, April 16.—Fifty persons were killed and property damaged to the extent of millions of dollars in blizzards and tornado which covered the entire central west today.

Crops were levelled, buildings destroyed, trees blown down, railroads blocked by snow and sleet and wires forced to the ground, fruit trees and early gardens damaged.

The windstorm did the most damage in the southwest, where many lives were lost. A tornado hit portions of Arkansas and northeastern Texas, leaving death and destruction in its wake. Twelve were killed in Texas and at least forty in Arkansas.

Telegraph and telephone wires were down and reports of the extent of the damage were meager. Nurses, physicians and food supplies were rushed to the stricken areas. The storm today centered over Illinois and was sweeping toward the region of the Great Lakes. The wind reached a velocity of seventy miles an hour.

General H. Cox, in charge of the United States weather bureau, said it was Chicago's worst storm. The wind was accompanied by a rain which was nearly a cloudburst. The rain fell in torrents for a period of more than twelve hours.

All Vegetation Destroyed

HOPE, Ark., April 16.—Thirty-seven are dead and fifty injured in Hempstead county alone as the result of the tornado which swept southern Arkansas, according to the best available reports here at this hour today.

It will take three weeks to clear highways in the storm's path, it was estimated.

All vegetation was completely destroyed. Leaves of the outer edge of the tornado's swath were turned black. The villages of Dolph and Blevins were practically destroyed.

Between 50 and 75 Dead

MEMPHIS, Tenn., April 16.—Early reports today indicate that the heaviest damage from the storm that swept the Mississippi Valley last night was done in southern Mississipi, northeastern Texas and southwestern Arkansas.

Private messages from the Texas-Arkansas region today indicate that the death toll will run between fifty and seventy-five dead and several hundred injured. There is no telephone or telegraphic communications with these districts from Memphis and the reports couldn't be confirmed.

Southern Mississippi is isolated. All telephone and telegraph wires into that territory are down. Sev-

(Continued on Page 4.)

Mrs. Nettie Turner Honored By Friends

The home of Mrs. Emma J. Reid of 123 South Belmont street was made the scene of a happy crowd of ladies last night when an even dozen friends of Mrs. Nettie Turner, sister of Mrs. Reid, feted her with a miscellaneous shower in honor of her recent engagement announcement. The party was entirely a surprise affair, Mrs. Reid having carefully concealed all plans of the entertainment from her sister. She had invited Mrs. Turner to be present for dinner, and when the meal was nearly finished the group of aforementioned merrymakers "happened" to drop in.

After the bride-elect had examined the many useful and ornamental gifts bestowed upon her by admirers the remainder of the evening was devoted to social and musical amusement. Just prior to the breaking up of the party a course of dainty and delicious refreshhments was served by the hostess.

Mrs. Reid's home was fittingly decorated for the occasion by a beautiful combination of sweet peas, ferns and carnations.

Those who took part in the shower were Mesdames Mary Peebles, K. C. Sipple, Hattie Gaylord, Alice Nelson, A. V. Last, R. D. Kay, and the hostess, Mrs. Reid; Misses Thelma Lindley, Alice Watson, Edna Kay and Virginia Last; also Ernest Reid and Reginald Kay.

Mrs. Turner is to become the bride of Roy Wilson, of East Wilson avenue, in the near future.

Locals And Personals

Mr. and Mrs. A. C. Brown and family of 201 West Milford street visited relatives at Venice today.

Mrs. W. H. Nance and baby daughter, Helen Betty, were visitors of Mrs. L. T. Rowley of 334 Vine street on Friday.

Mr. and Mrs. T. C. Berry of West Lomita avenue motored with friends on Thursday to Orange, spending a most delightful day.

Mr. and Mrs. Wm. Alister of Chicago and Mrs. J. Meade of Yuma, Arizona, are guests at the Glendale Sanitarium and Hospital.

Mr. and Mrs. E. B. Brown of 730 East Lomita avenue had as their guests during the week Mr. and Mrs. August Levig of Alta Loma.

Mr. and Mrs. W. Worthington of 325 North Maryland left yesterday for an extended trip back east with Philadelphia as the ultimate goal.

Miss Ruth Waterman of 500 North Kenwood street attended the intercollegiate dance given last night at the Ambassador hotel, Los Angeles.

Elder I. A. Ford of 215 North Adams street returned yesterday from an inspection of church work in San Bernardino, Loma Linda and Redlands.

B. F. Geiger of 428 North Kenwood left on Tuesday for Kansas City and Texas. Mr. Geiger has large farm holdings back east and will be gone three months.

Mrs. M. Morehouse of 1000 East Lomita avenue is convalescing from an attack of the La Grippe from which she has been confined to the house for several days.

Elder Haskell, who has been making the Glendale Sanitarium and Hospital his headquarters while in Glendale, left this morning for Pasadena, accompanied by his secretary, Miss Cady.

C. J. Moore and family are recent arrivals at the Glendale Sanitarium and Hospital, coming here from College Place, Washington. Mr. Moore will connect with the institution in the capacity of a nurse.

Mrs. Gleaves Patterson and son, Gleaves Patterson, Jr., of Shreveport, Louisiana, who have been spending several weeks with Mrs. Patterson's sister, Mrs. A. D. Dunlop of 203 West Burchett street, have returned to their home.

R. E. Taylor and family of New York City are expected to arrive in Glendale this week-end and take up their home at 1239 South Glendale avenue, property which they recently purchased through the Glendale Homes company.

The Misses Dorothy and Kathleen Woods of 122 Milford street danced last night at the Knights of Columbus benefit entertainment given at Philharmonic auditorium, which was given to raise funds for work among unfortunate children.

Mr. and Mrs. M. S. Kuehny of 386 West Doran street have as their guests Mr. and Mrs. Wilfred Amundsen of Tonapah, Nevada. Mrs. Amundsen is Mrs. Kuehny's niece. Mr. and Mrs. Amundsen are contemplating locating near Ontario.

Numerous reports are coming in of the catching and eating of young chickens by stray cats. The latest victim is Mrs. L. T. Rowley of 334 Vine street, whose loss amounts to about one-half of a brood of especially fine stock. Just at daylight is the fatal hour for the destructive mauraders to get in their work.

Mr. and Mrs. A. P. Hamil, who for the past six months have been located in the Wright apartments on East Broadway, left Wednesday for Minneapolis. Mr. and Mrs. Hamil are the parents of Earl Hamil of 319 North Maryland avenue. Mr. Hamil also has a sister living in this city, Mrs. Jennie B. Doxsee of 360 Salem street.

Mr. and Mrs. A. T. Dobson of Vine street are visiting for a few days before leaving for San Francisco. Mrs. Dobson's son-in-law and daughter, Mr. and Mrs. James Horne, on Valley View road. Mr. and Mrs. Dobson will return from San Francisco in July and expect to build a home in which they will live permanently.

Dr. A. S. George of Tacoma, Washington, who with his wife have been spending the winter in Los Angeles and Glendale, has returned to his home in Tacoma. Mrs. George will remain at Arbor Rest Home, Glendale. Dr. and Mrs. George were the guests of Rev. and Mrs. O. P. Rider of 208 East Acacia avenue during their stay here this winter.

Mr. and Mrs. Frank Pitcher, who have been wintering at their home, 201 West Windsor road, are planning to leave Glendale the first of May and go back to Devil's Lake, N. D., where they will stay until November 1. Then they will return to Glendale. In the meantime they are advertising their home here for lease through the classified columns of The Glendale Evening News.

AT HOME OF H. S. BOTSFORD

Mr. and Mrs. H. S. Botsford of Gardena have been visitors for several days at the home of Mr. and Mrs. Peter Hanson, 711 East Orange Grove avenue.

In Southern California

Bebe Daniels in Jail

Bebe Daniels has started her ten-day term in the Orange county jail for speeding. Well, the advertising she will get from the escapade will more than repay the inconvenience and it will cause a lot of people to remember Justice of the Peace Cox and Orange county's speed laws on their way to Tia Juana.

Lieutenant Colonel Resigns

Lieut. Col. James S. McKnight, chairman of the Los Angeles Infantry Regiment association and assistant adjutant general of the state, has resigned the chairmanship until an investigation can be made into charges relating to the collection of funds for the guardsmen.

Paddock to Go Faster

Charles Paddock, world's champion sprinter, has not yet reached his speed limit and will better the phenomenal record he made recently at Berkeley, in the belief of his trainer, Dean B. Cromwell of the University of Southern California. Cromwell today said he based his opinion on the fact that Paddock, since his record-shattering performance, has made the last 100 yards of a 220-dash in 9 seconds flat. "I timed him myself," said Cromwell. "Paddock is getting faster every day."

Giant Film Actor Is Sued

Judge Walton Wood in Los Angeles today had under consideration the divorce suit of Mrs. Sadie Linkenhelt against Otto E. Linkenhelt, giant film actor known on the screen as Elmo Lincoln.

Linkenhelt was accused of indiscretions with another woman. Because of technicalities two previous attempts by Mrs. Linkenhelt to bring a divorce action were dismissed.

Judge Wood complimented Linkenhelt on his liberality toward his wife. He gave her $1,000 and an automobile and is paying her $225 a month. Because of his stature Linkenhelt has been prominently cast in the part of "Tarzan" in "Tarzan of the Apes."

Long Beach for City Manager

Long Beach has voted to join the list of city manager municipalities, following the example of Sacramento, Pasadena and Glendale.

Found Guilty of Cheating Meter

G. E. Lucia, a plumber, was found guilty in Justice S. H. Underwood's court at Long Beach following a trial on a charge of installing a by-pass, which carries gas around a meter without registering it. Sentence will be pronounced Friday. The Southern Counties Gas company recently announced a discovery that it had lost great quantities of gas through the installation of numerous "by-passes" in houses and other structures in Long Beach. The maximum punishment for such an offense is $500 fine or six months in jail, or both.

Makes Estimates for L. A.

Estimates of the cost of conducting the city government, the amount required for interest and sinking fund on the bonded indebtedness, and the amount Los Angeles will collect next year was presented to the city council on Friday by the city auditor. The estimated cost of conducting the affairs of the city for the fiscal year beginning next July 1 is $10,424,499, as compared with the estimate for the current year of $10,772,566; the budget last year was reduced nearly $2,000,000 and the present estimate requirements will probably be cut an equal amount when the matter is referred to the budget committee on Monday.

William Duncan to Marry

William Duncan, motion picture serial star, and Miss Edith Johnson, his leading woman, are to be married. They obtained a marriage license in Los Angeles yesterday. She is 24 years old.

Duncan is wearing a beard for movie purposes.

"I know I look like an Airedale, but if she'll have me I shall be only too happy," was the comment.

Girl Gets $10,000 Damages

Miss Hallie R. Hall was awarded $10,000 damages against James Boxall for his failure to marry her, the verdict being brought in by a mixed jury in Los Angeles. Miss Hall sued for $50,000 damages.

Yet He Keeps on Smiling

Howard Brett, aged 34, champion optimist.

An Oregon lumber jam tore off Brett's left arm and leg eight years ago. Shortly afterward the state compensation act became effective—too late to benefit him.

Three weeks ago his wife deserted him.

While selling pencils in Los Angeles Brett fell, fracturing the stump of his leg and dislocating a shoulder.

"These little things don't discourage me," Brett said today. "As soon as I get out of the hospital I'm going to sell pencils again."

Costless Radio Ray Found

A new radio ray capable, when properly applied, of performing every known feat accomplished by the use of either radio or x-ray, has just been discovered by Edgar L. Hollingshead, scientist, conducting extensive research in Pasadena for several months. The discovery, it is declared, will revolutionize the scientific world in the treatment of certain diseases.

The new radio active ray can be generated at a cost so low as to amount to practically nothing, Professor Hollingshead claims. At the same time it is superior to radium rays inasmuch as the rate of vibration or speed is far greater than the latter and can be changed or intensified. The polarity also can be reversed.

By a new electrical process the new ray is generated and because of the principles employed in generation, it is called odic activity. Professor Hollingshead has been assisted in his research by Dr. L. Frank Johnson of Los Angeles, an honorary member of the academy of science of France and C. L. Holton of the University of California.

Alleges Strange Infatuation

A young wife's strange infatuation for Harry New, convicted slayer and reported son of Senator New of Indiana, figures in the divorce suit of Frank Port against Rose Port, on hearing in Los Angeles. The Ports were happy, the husband testified, until young New's crime—the killing of his sweetheart, Frieda Lesser—came into the limelight a few years ago.

"My wife haunted the courtroom where New was on trial," Port said. "Many times she visited New in jail and once she gave him her photograph.

The Balance Wheel!
During the course of life every man has his periods of prosperity and of adversity. Sometimes he is flush—sometimes he is pinched. To save part of his prosperity to offset the results of adversity is the great mission of Life Insurance. It is the great balance wheel of life.

Happy is he who is wise enough to secure as much life insurance as his means will afford. It will prove a helpful, faithful friend, whether he lives or dies. It will help to neutralize the trials and shadows of life with its triumphs and sunshine. THERE IS NO SUBSTITUTE.

WOMEN'S AUXILIARY OF LEGION POST GIVES SOCIAL

DELIGHTFUL EVENING, DANCING FOR ABOUT 200 MEMBERS AND THEIR FRIENDS

Combining a delightful program with dancing, the Women's Auxiliary of Glendale American Legion Post, No. 127, was host last night to about 200 members and friends.

The hall was prettily decorated with red, white and blue streamers and during the dancing Mrs. James F. McBryde, president of the auxiliary, assisted by Mrs. George E. Clayton and Mrs. E. W. W. Hayward, served coffee and cake.

Miss Viola Yorba delighted her hearers with several solos and she received generous applause for her renditions of "La Gitana" and "La Paloma." Little Miss Jane Nichols did a dainty flower dance interpretation which also won much favor from the Legionnaires.

Commander E. O. Kiefer, who presided, stated that State Commander Buron Fitts was called to Sacramento on Legion business and was unable to address the Glendale post at this time. Inasmuch this is the third time the former service men have been disappointed by the same person, Mr. Fitts' absence was not so keenly felt.

Special Entertainment For Thornycroft Boys

Mrs. Carl Johnson of Los Angeles, who makes a specialty of Oriental entertainments visited Thornycroft hospital here yesterday afternoon and brightened the lives of the boys who are recuperating from illness contracted in the world war. She sang Japanese and Chinese songs, accompanying herself on a Chinese guitar. She also sang a couple of Hawaiian and Spanish numbers which were much more understandable, but all were equally appreciated.

During the last ten days there have been numerous entertainers and friends calling at the hospital and the list includes Bertha Mann and others of the Morosco and Wilkes stock companies in Los Angeles; the California Girls' Quartet, readers from the Cumnock school and Miss Modesto Mortenson, violinist. The high school jazz orchestra also was present at the program of a week ago and little Miss Lois Naudain danced.

Next Thursday a special treat is being prepared for the boys when in addition to a Hawaiian quintet, the Griffin twin and Rosalind Williams will dance and the Misses Mona Gardner and Doris Packer have promised readings. The latter are from Glendale Union High school.

The former service men at Thornycroft feel very appreciative of the efforts made by the Women's Auxiliary of Glendale Post No. 127, American Legion, and one of the boys there last night spoke particularly favorable of the work Mrs. E. U. Emery and Mrs. J. B. Sherwood are doing in this connection. However, many others are helping and all of those who can take the boys on picnics or arrange parties or cook some delicacy are requested to get in touch with Mrs. James F. McBryde, president of the Women's Auxiliary.

Glendale Ranks Sixth In Building Records

Glendale ranks sixth in the March building record of California cities and seventh in the coast list, being exceeded only by Seattle, Wash., outside of the state.

In the nation Los Angeles ranks third, coming close to Chicago while New York walks away with more than double the figures of the other two combined. The nearby metropolis is doing three times the building that San Francisco reports while Long Beach, Oakland and San Diego all are over the million mark.

Following are the principal coast cities' permits:

Los Angeles	6,915,215
San Francisco	2,941,401
Long Beach	1,359,609
Oakland	1,314,457
San Diego	1,241,401
Seattle, Wash.	923,180
Glendale	**473,462**
Pasadena	409,012
Fresno	393,445
Santa Ana	375,272
Tacoma, Wash.	361,690
Berkeley	339,333
Sacramento	220,100
Santa Monica	271,040
Spokane, Wash.	267,690
Venice	219,049
Santa Barbara	216,230
Pomona	167,950
Huntington Beach	112,750
Riverside	97,870
San Bernardino	94,638
Redondo Beach	50,975
Whittier	44,088
Ontario	25,845

MONEY FOR ROAD WORK

Receipt of the $3000 deficiency appropriation voted in the closing hours of the last congress has put road work in Yosemite National park on a progressive basis.

The Story The Mirror Tells About Laundry Service

The mirror tells a pleasing, reassuring story to the woman who has her family washing done our laundry way.

It tells her of still youthful charm; of eyes bright and smiling; of a smooth, unwrinkled brow; of slim, fine hands.

We can shield you, too, from the wearing, ageing influence of washday; from the annoyance of hands chafed from constant contact with boiling waters; we can relieve you of the fatigue that comes from long hours of ironing.

Our laundry service, with its modern washing methods, is specially devised to save women all the laborious work and worry of the old style washday.

We wash your clothes in numerous waters—more than any ordinary laundress can attempt—and return them to you, sweet and clean, carefully finished.

Try our way. Send us your family bundle. Telephone today.

Sunday Services at the Churches

ST. MARK'S EPISCOPAL

The third of a series of three sermons on the topic of "Confirmation" will be given at the 11 o'clock service at St. Mark's Episcopal church Sunday morning by the Rev. Dr. Hugh Cornell. A fine program of music will be given by the vested choir. Sunday school will begin at 9:45 a. m. Bishop Stevens will be here on the 24th to administer the rite of confirmation.

FIRST METHODIST EPISCOPAL

Corner Wilson and Kenwood. Rev. Clyde Monroe Crist, D. D., pastor. Sunday school (graded) 9:30. Prof. A. W. Tower, superintendent. Carl Seitter, religious educational director, is on the job. The school grows. Morning sermon by the pastor, 11 o'clock. Theme, "Philip, the Successful Personal Worker." (Preparation service for the great revival meetings). Intermediate league (ages up to 14 years) 6:15. Epworth league (ages 14 to 35 years) 6:15. All young people to go in a body to the tabernacle after the league meetings. Brotherhood Round Table, 6:45. Rev. S. B. Warner, D. D., will speak. At 7:30 the opening service in the tabernacle. Great chorus. Enthusiastic meetings. John E. Brown is at his best. This church cooperates with eight others of Glendale throughout the week and on Sunday evenings. Each evening except Monday, at 7:30.

TROPICO PRESBYTERIAN

Sunday school, 9:45 a. m., for all grades, four departments. At 11 a. m. Rev. Rider will preach on "Salvation." Everybody invited. Christian Endeavor 6:30. At 7:30, union meeting in the big tabernacle.

CENTRAL AVENUE METHODIST

Bible school 9:45. J. L. Brown, superintendent. Junior league at 11. Mrs. M. A. Hewitt, superintendent. Morning worship at 11 o'clock. Rev. Brink will preach on "The Way Home." Special music. Epworth league at 6:15. Mr. Mitchell, leader. Everybody welcome. This church has entered in with the John Brown evangelistic meetings.

CONGREGATIONAL

Rev. C. M. Calderwood, pastor. Mrs. C. A. Parker, director of music. Church school at 9:45. Service of morning worship, 11 o'clock, sermon, "Is the World Growing Better?" The evening service will be omitted on account of the evangelistic meetings.

CASA VERDUGO METHODIST

Topic for morning sermon, at 11 o'clock, "Eyes of the Heart." No services in the evening during the Brown revival meetings.

FIRST LUTHERAN

Dr. H. C. Funk, pastor. "The Greatest Moment in Modern History" will be the subject for the morning address by Dr. Funk. The entire Protestant world should join in celebrating the four hundredth anniversary of Luther's stand at the Diet at Worms. The morning worship at 11 o'clock will be of more than ordinary interest. The Bible school opens at 10 a. m. Owen J. Sherrick, superintendent. Luther league night, program at 7:30 o'clock. J. H. Niebank will give the principal address. Special music. The public is cordially invited. Church location, corner East Harvard street and Maryland avenue. Residence, 111 East Harvard. Phone Glendale 1322-J.

FIRST BAPTIST

Ernest E. Ford, pastor. Sunday school at 9:30. Roy L. Kent, superintendent. Classes for all. Public worship at 11. Sermon theme, "How To Get Rich." Mrs. Vera McKee Neighbors will sing at the morning service. The evening services will all be held at the tabernacle in union with the other churches of Glendale. The regular morning services on Sunday will be held as usual. Sunday school at 9:30, and preaching service at 11.

PRESBYTERIAN

At the Presbyteran church on Sabbath morning the pastor, Rev. W. E. Edmonds, will speak on "Glendale's Greatest Need." There will be no evening service at the church. This will be the last Sabbath morning service until after the Brown evangelistic meetings have ended. In common with the other churches this church will give up its morning services and worship at the tabernacle during the period of the evangelistic meetings. Rev. McConnel will address the Men's class at 9:30 a. m. on "The Signs of the Times." Musical program for morning service: Prelude, "Andante" (Gritton); tenor solo, "O, Lamb of God" (Bradsky), Orrin L. Padel; offertory, "Meditation" (Gounod); quartet, "O, Could I Speak" (Wilson); gospel solo, Mrs. Fannie Marple Retts; postlude, "The Knights" (Volkman).

CHRISTIAN SCIENCE

First Church of Christ, Scientist, corner Maryland and California. Service Sunday at 11 a. m. The lesson sermon is from the Christian Science Quarterly Bible Lessons. Subject, Sunday, April 17, "Doctrine of Atonement." Sunday school at 9:30 a. m. Wednesday evening testimony meeting at 8. Reading room, 135 South Brand boulevard, open daily except Sunday and holidays from 12 to 5 p. m. Also every Tuesday, Thursday and Saturday evening from 7 until 9.

NEW THOUGHT CENTER

Masonic Temple, Sunday, April 10. Sermon by Dr. Frank Riley at 11 a. m. Sunday school, 9:45. All are welcome.

AT THE TABERNACLE

Music prepared for Sunday evening will be besides the hymns: Soprano solo, "The Ninety and Nine" (Campton), Mrs. Vera McKee Neighbors, accompanied by Mrs. Wm. Crawford, from the Baptist church; trio, "Praise Ye" (Verdi), Miss Isabelle Isgrig, M. S. Guehny, Arthur Hainse, accompanied by Mrs. Randall, from First Methodist church; duet, "I Waited for the Lord" (Mendelssohn), Mrs. Floyd Mercer, Mrs. Cleo Stoler, accompanied by Mrs. Musser from Christian church; also numbers by the Presbyterian quartet, Mrs. Helen Graham Cole, Mrs. Fannie Marple Retts, Orrin L. Padel, C. Clifford Riggs, accompanied by Miss Carolyn Bailey; gospel solo, Mrs. Fannie Marple Retts; pianist for the evening, Mrs. William Crawford.

CHRISTIAN AND MISSIONARY ALLIANCE

Meetings every Tuesday and Thursday, 7:30 p. m. Gospel Tabernacle, 310 E. Chestnut street, corner of Louise. Full Gospel—Jesus Christ—Saviour, Sanctifier, Healer and Coming King.

CENTRAL CHRISTIAN

Corner Louise and Colorado. Clifford A. Cole, minister. The minister will speak at 10:30 on the subject of "Fidelity," following the regular communion and teaching services. Bible school will meet at 9:30, with classes for all ages. The choir will render special music at the hour of worship. Union young people's meeting at 5:45 at the tabernacle. Union evening services at the tabernacle. No mid-week services next week.

HOLY FAMILY CATHOLIC

East Elk near Adams street. Mass at 7:30 a. m. Sunday school at 8:30 a. m. Mass at 9:30. Everybody welcome. James S. O'Neill, parish priest.

eral deaths and many injured from falling trees and poles are expected. Railroads are tied up by poles and trees on the tracks.

Colder Weather to Follow

WASHINGTON, D. C., April 16.—Colder weather following the storm now sweeping the middle west was forecast by the weather bureau here today. The storm will not hit the eastern states, the bureau said.

The storm is now central over Southern Missouri and is moving east-northeast, the bureau said. It has been accompanied by snow in the upperlake regions, the Mississippi Valley, middle plain states and Rocky Mountain states. It is heavy in Colorado, Kansas, Wisconsin, Michigan and Nebraska.

In the northern states a heavy snow blockaded railroads. All trains that were not entirely suspended were running hours late. Freezing weather over a large portion of the storm area was forecast for tonight, with additional damage to crops in prospect.

Worst Blizzard of Year

DENVER, Colo., April 16.—Colorado today was recovering from the worst blizzard of the year which struck the state Thursday night and continued without abatement until last midnight. The snowfall varied from eighteen inches to two feet. Reports received here were that several persons had been caught in the storm in the mountains and fears were held for their safety. Thousands of dollars damage was done to telegraph and telephone lines and the fruit crop suffered heavily.

Red Front Store Is Crowded For Opening

"Follow the crowd."

That seemed to be the watchword with Glendale people who today jammed Fisher's Red Front Variety store at 212 East Broadway which experienced an opening day here that undoubtedly has broken all store records in Glendale.

By 9 o'clock this morning it was almost impossible to get into the spacious quarters which Mr. Fisher has taken in the new and modern building especially fitted for a variety store by the builders, Borthick & Daniels.

At 10 o'clock the crowd was so rapidly depleting the new stock of merchandise that Mr. Fisher was making arrangements to wire orders east for more goods.

At noon there seemed to be no question but what the latest mercantile establishment here was an assured success from the many compliments paid by its first day patronage. Of course Mr. Fisher had a large advertisement in The Evening News last night.

Michigan Man Tells Why He Stays Here

Editor of The Evening News—I have noted several articles in the Glendale papers from tourists who have been spending the winter months in your beautiful city, so here goes one of my experience. I came from Bay City, Michigan, where I practiced medicine for fifty-four years. Shortly after I came here the Los Angeles papers reported an earthquake, which was copied in many eastern papers. My friends wrote me I had better return before I got swallowed up in a quake, but I would rather be swallowed by an earthquake such as I experienced than wallow waist deep in snow in Bay City.

I prefer to stay where roses bloom the year round and where the Horseshoe club grounds are packed so hard it won't even crack, and listen to stories in Irish, Scotch and Swedish as well as United States. I feel as though my life is put back years. If I choose I can throw oranges, while Bay City people can throw snowballs. For the years I may live I am building a home on Riverdale drive and won't have a snow shovel on the place and will do my visiting east by mail. W. E. MAGILL.

MASSAGE IN VOGUE IN JAPAN

Massage is much in vogue in Japan and a notable feature of any Japanese town toward evening is the blind masseur as he walks along, announcing himself with his peculiar whistle, in search of work, which he can always find in plenty.

CARS POPULAR WITH WOMEN

The increasing use of the automobile by women is due to the same fundamental reasons that have made the motor car indispensable to men. Both are the result of the natural and important part the automobile has taken in the progress of civilization. Just as the telephone, electric light and power, and the railroad have proven of benefit in the daily lives of men and women so the automobile has become a time and energy saving utility.

And this illustration applies in even more ways in the cast of women than men. For the progress which women have made toward higher civilization has been even greater in proportion. There have been the additional burdens of home making to overcome. This has been done by the development of industries for supplying the necessities of life and devices for making domestic responsibilities more easily met.

Clothes making and food preparation have been greatly simplified by modern methods of manufacture. Cooking, washing, ironing, cleaning and other phases of home work have been made easier by improved facilities. Modern architecture has provided for the saving of countless steps and minutes in accomplishing the daily tasks of the household. In this respect the automobile has made the greatest of all contributions toward the welfare of women and their families.

In her motor car a woman can lay in the family supplies more efficiently than ever before. It has made shopping enjoyable. More shops can be visited in less time and with the greatest degree of comfort. A wider selection of merchandise is possible. The best of values may be obtained. Purchases may be carried home so that there is never a delay in waiting for their delivery.

And this applies equally to city and country. In either case shopping is made entirely a matter of the woman's convenience. She is independent of every other means of conveyance or the distance between herself and the stores.

And the automobile affords added advantages to those who live in suburbs or the country. It places fresh food produce within easy reach. Many farmers are willing to sell, at attractive prices, dairy products, fresh and wholesome vegetables and fruit not taken by the wholesale markets, and these the housewife may easily bring home in her car.

SALES RECORD FOR STUDEBAKER CAR AT NEW MARK

PACKER & WHITE ARE PROUD OF SHOWING MADE; URGE FILING ORDERS NOW

That the "Call of the Open Road" is already being heard by California motorists is indicated by the extensive sale of the Studebaker cars, according to S. C. Packer of the Packer & White Auto company, 245 South Brand boulevard.

He states that Studebaker sales in the state are exceeding all other cars, with the exception of the Ford. When price is considered this is a remarkable record of which coast Studebaker agents feel proud.

Incidentally, it has meant a temporary shortage of some models and the Packer & White Auto company are anxiously awaiting the arrival of more Special Touring and Light Six models.

All of which makes it advisable that the many motor enthusiasts who are contemplating the purchase of Studebakers for summer touring should get their orders in early.

F. S. Hill In Same Place For Six Years

F. S. Hill, who conducts a garage, auto repair and machine shop, has been in the same location in Glendale for six years. That's at 123 South Brand boulevard. He has become one of the pioneers in the garage business in that time from the standpoint of staying "put" and he stated to a representative of The Glendale Evening News today that his first customers back in 1915 are his best customers today which speaks well of his work. Mr. Hill is representative and service expert for the USL batteries and his shop is one of the best equipped in the city, having the largest lathe and drills operated by power, as well as all other machinery necessary for the complete overhauling of motors and ignition systems. The garage is at the rear of the Monarch Auto Supply company store and plant.

MAKES 2000 MILES IN AUTO, CAMPING OUT ALL TIME

AVOIDS HOTELS AND SERVICE OF BUICK PROVES TO BE HIGHLY SATISFACTORY

It is a significant fact, according to Tanner & Hall, Ltd., 237 South Brand, that for years the demand for Buick cars always exceeded the supply, even when Buick production mounted to 500 cars daily.

One of the reasons, perhaps, is that the Buick gives results. For instance:

Richard Marchman of Marietta, Ga., has just driven across the continent via the southern route through Louisiana, Texas and over the El Paso route. Marchman drove his Buick car through the swamps of the south and the sandy desert roads of the southwest, and came through without a particle of trouble. He reported how wonderfully well the Buick behaved under all sorts of conditions.

Marchman kept a close tab on the gasoline and oil consumption and he states that his Buick only used 298 gallons of gasoline and burned up thirty-five quarts of oil in the 2035 milestraveled. This proves how economical a motorist can drive all over the United tSates, through muddy, swampy districts, desert roads and highway stretches. However, Marchman says that here in California was about the only place where he had pavement to drive over. in other sections where the roadway was good, it was a dirt or gravel roadbed.

Hotels were given the overlook by Marchman and his two companions on the trip. Camping paraphernalia was carried on the running board and every night wherever there was a comfortable and inviting camping ground, the three young men made camp.

Although Marchman already has driven the Buick 20,300 miles, he says it is still running as good as it did when he first purchased it.

Leaving For Texas In Their Nash Automobile

Mrs. August Grote and her daughter, Miss Hattie Grote, and S. E. Kneese, who have been spending a month at 827 East Colorado boulevard, are leaving today for Fredericksburg, Texas, their home. They will go back in the Nash Six which they so successfully drove overland in February during the hardest weather for transcontinental tourists to negotiate the desert roads.

WONDER HORSE WINS PRAISE OF CROWD AT GLENDALE

HEADLIGHT PLEASES AUDIENCE AT THEATRE; HONEY BOY, PONY, FOR TONIGHT

Headight, the world's wonder horse, responding to the requests of its master, Richard E. Homer—Old Buckskin—was the greatest one act hit ever hitting Glendale. And it drew a record throng to the Glendale Theatre last night. Tonight, "Honey Boy," an educated pony, will be presented at the first show only by Mr. Homer. To see his fifty-seven varieties of tricks is the only way to appreciate them.

Eileen Percy, pretty William Fox star, will be at the Glendale Theatre today, too, in her latest Fox picture, "The Blushing Bride." This picture is of the rapid fire comedy type, and is said to be the best story in which Miss Percy has appeared.

"The Blushing Bride" replaces "The Land of Jazz" on the program as the exhibitor failed to have a print of the other comedy to send to the Glendale Theatre today. However, it is equally mirthful with all of the happy happenings which newlyweds experience as the plot around which many ludicrous situations give Miss Percy the opportunity to display her ability as delightful comedienne.

"The Road of Ambition" is Sunday and Monday's attraction while Madame Clement will play the usual organ concert Sunday evening at 6:30 o'clock.

Dead In France, But This Man Comes Home

YAKIMA, Wash.—After mourning for two years for her husband S. R. Cutler, reported by the War Department as having died in France, his wife, a telephone operator, received a message from him at Minneapolis, saying he was alive and leaving at once for this city. Mrs. Cutler last saw her husband three years ago in Los Angeles, when he left for Camp Lewis. She believes that due to shell shock or other injury he lost knowledge of his identity, which also was unknown to the War Department. Mrs. Cutler has received from the government insurance on her husband's life for the past two years.

Proposed Tax On Gas Killed In Committee

The proposed tax of 1 cent a gallon on gasoline, proposed in an assembly bill offered by Ream, was killed when the assembly committee on revenue and taxation tabled the bill.

The measure was strongly urged by the state highway commission, its members appearing at the hearing had Tuesday, and urging that the bill be passed out. The tax was wanted, they said, to improve roads and to widen highways. It was just as strongly opposed by the automobile clubs and associations, which said that the increase in license fees due to proposed higher rates, and to growing business, was going to supply as much money as would be needed in the next two years.

After the Ream bill had been tabled Senator Sample went before the senate committee on revenue and taxation and secured a favorable report on his gasoline tax bill, which originally was a companion of the Ream bill, but had been shelved awaiting action on the latter. Opponents of a gasoline tax, however, said they thought that the reporting out of the Sample bill would not complicate the fight against a gasoline tax, as they believed the Sample bill would meet the fate of the Ream bill if it ever got to the assembly side.

U. S. Leads World By Car For Every Fourteen

Figures published by the Montreal Star show the car per capita of the United States leading the field with one automobile for every fourteen persons—and Russia with one car for 5300 persons ranking lowest in the percentage scale. Ranking of other countries follows:

Canada one car for every twenty-three persons.

England one car for every 268 persons.

France one car for every 402 persons.

Germany one car for every 684 persons.

Italy one car for every 1000 persons.

Austria one car for every 2700 persons.

TURNS CAR IN OWN LENGTH

A sort of two-wheeled jack, carried under the front axle of a motor truck of English invention, can be forced to the ground by the driver to lift the front, enabling the vehicle to turn in its own length.

"There's a Difference in the Way the Liberty Rides and Drives"

The Liberty Six

BUILDING FOR THE FUTURE

The Liberty Company is building, not for today, nor tomorrow—but for the future.

It has set for itself a policy of securing patronage by deserving it; and of developing, as an institution, through meriting the confidence of its friends.

You can tell this from the character of the product.

NOTHING TOO GOOD FOR LIBERTY

No part can be too good for the Liberty to merit the best that is in it—no standard in the building of units so high that it is not equaled or exceeded, in the carefulness with which Liberty cars are manufactured.

Nothing Which May Be Done to Safeguard Quality in the Liberty is Left Undone

MAY I DEMONSTRATE?

B. G. Sutherland

230 N. Brand -:- Glen. 837

"There's a Difference in the Way the Liberty Rides and Drives"

Ford Truck Speed Gets Greater Increase

A special worm and gear now being manufactured by the Ford Motor company for the Ford truck increases its speed from five to seven miles an hour without increasing the speed of the motor. The truck comes from the factory equipped with standard gearing, the recommended speed of which is fifteen miles per hour, and the change to the special gearing is made by the local dealer when the customer desires a more speedy truck.

Easy On Clutch Will Make You Ride Better

One of the most common mistakes in driving is the "riding" of the clutch, which a majority of operators indulge in. If the foot is kept constantly on the clutch pedal, even though lightly, the action causes rapid wear of the clutch thrust bearing and clutch slipping. If the clutch is of the cone variety the facing is worn excessively, while in the disc clutch in oil the extra heat tends to thin the oil and permits grabbing. Drivers should keep off the clutch except when it is to be operated.

INDICT TOWN FOR NEGLECT

The town of Reading, Mass., has been indicted on a charge of criminal neglect in failing to maintain a highway in a proper manner. The Middlesex county (Mass.) grand jury brought the indictment. The town was indicted under a statute that provides that a city or town must keep its highways reasonably safe and convenient for public travel.

BREAKAGE OF SPRING LEAVES

The commonest cause of breakage of the master leaves of truck springs is lists in the roads. In this way the whole sprung load is thrown on the springs sideways and most of the weight falls on the two down springs.

According to present reports, the New York and New Jersey vehicular tunnel, under the Hudson river, will be opened not later than December 31, 1924. The construction will cost $28,669,000.

Some part of the labor of practically every man, woman or child, employed in a productive capacity in the United States, enters into the construction of each motor vehicle.

The state department of Washington has a traveling exhibit consisting of all automobile license tags from every state in the union and twenty foreign countries.

Demountables Placed On Open Ford Cars

The Ford Motor company, Detroit, is now supplying demountable rims as an optional equipment for its open car models. This includes a spare rim and tire carrier, and has been standard equipment on Ford enclosed models for some time. The charge is included in the price of sedan and coupe, but is $25 extra, plus federal tax when installed on touring car or runabout. Popular demand is said to be responsible for the change.

RATTLE IN SHACKLES

Spring shackle play or looseness between the spring end and the shackle may give much annoyance until the seat of trouble is discovered. Rattling caused by this looseness will be more frequent and distinct when the car is riding over fairly rough roads. A good method of taking up the play is to place shims between the spring end and the shackle. Or the play may be removed by tightening the spring bolt.

Oil Production Of World Is Increasing

The world's output of petroleum in 1920 increased 133,936,203 barrels over 1919's production, a gain of 24.2 per cent, according to figures compiled by the American Petroleum Institute.

Of the total production in 1920, the United States supplied 64.4 per cent, while in 1919 its proportion of the total was 69 per cent. Mexico supplied 72,727,046 barrels more in the past year than in 1919, a gain of 83.5 per cent.

The total figures given are as follows: Total production 1919, 337,719,000, and 1920, 443,402,000 barrels.

The total production of gasoline is shown in the following figures: 1918, 3,570,312,196 gallons, and 1919, 3,957,857,097 gallons, and 1920, 4,882,381,837 gallons.

The total stocks on hand of gasoline at the close of 1920, as compared with previous years are given as follows: December 31, 1919, 446,793,431 gallons, and December 31, 1920, 462,381,837 gallons.

BUICK

AUTHORIZED Buick SERVICE Emblem of Satisfaction

WE want you to judge the new 1921 Buick on this basis—capacity to give definite returns on investment.

WHEN DREAMS COME TRUE, THEME FOR FILM FEATURE

TOM MOORE-GOLDWYN PICTURE IS SHOWN TODAY ONLY AT PALACE GRAND

"Some day when dreams come true" is the theme on which "Hold Your Horses," a Tom Moore-Goldwyn picture is based. The dreams almost drove the dreamers to suicide when they dreamed them, but afterwards proved to be the most wonderful things that ever came into their lives. Naomi Childers does some excellent comedy work in the picture, which is to be seen today only at the Palace Grand.

"Beat It," a two-part Chester comedy, adds to the attractiveness of the bill while the musical program includes "Fantana," "Aint We Got Fun?" "Without You," "All for You" and "Happiness."

Sunday and Monday Charles Ray in "The Old Swimming Hole" will attract record crowds. It has just completed a wonderful run in Los Angeles and there is no question but what it will have an appeal that cannot be resisted by every man, woman and child who recalls the boyhood days as told in the poem by James Whitcomb Riley.

Points Of Interest In Southland Many

Eastern tourists who come out to California for a few weeks, or even to spend the entire winter, seldom see a small fraction of the really interesting scenic and historic points of the southland, largely because natives have become so accustomed to them that they think, of course, they have seen them or heard of them.

The majority motor through the beautiful streets of Pasadena, Hollywood and the west side, he continued, but much as they have read about California, its history and legends, they do not seem to realize that there is hardly a point of interest in this part of the state but that can be reached easily, over paved highways generally, by motor car, and within a few hours at that.

Just think how much you would like to visit the scenes where Shakespeare or Scott laid their action. Perhaps you enjoy the adventures of Conan Doyle's "Sherlock Holmes" and Baker street or old Scotland Yard would appeal to you. But these places would require a journey overseas, while right here you have the "stamping ground" of that famous, or infamous, bandit of the early days, Juan Murrietta—a real character.

You have the battlefield of the San Gabriel river and the peace of San Fernando, which closed the Mexican war so far as California was concerned. There is old Governor Pio Pico's home out near Whittier, and even the Plaza church, which figured in the city's history almost from the beginning.

In fiction there is a wealth of lore to draw from. The Imperial Valley furnished the setting for Harold Bell Wright's "Winning of Barbara Worth," Helen Hunt Jackson's "Ramona" and several others had their scenes laid right here in southern California, while Edgar Rice Burroughs, creator of "Tarzan," the apeman character, has his handsome home just a few miles the other side of Hollywood on the eVntura boulevard. There are dozens of others just as easy of access and it is well worth even a native son's time to look them up.

Measure Would Take Infant From Prison

ALBANY, N. Y.—A special bill has been introduced in the State Senate to remove Gloria Odell, an infant, from Auburn prison, where her mother is serving twenty years for murder.

The bill would place the child in the care of the nearest relative competent to care for her. The baby was born after her mother entered the prison. Her father is in the death chamber in Sing Sing for the same crime.

Governor Miller is considering an application to pardon Mrs. Odell so the baby may be brought up outside prison walls.

TRACTORS VERSUS HORSES

An incident where three tractors helped to save a large quantity of wheat occurred recently at Floydada, Texas, where a granary containing 1160 bushels of wheat burst during a rainstorm, necessitating the removal of the wheat regardless of road conditions. Six hundred bushels were hauled to shelter in the town by the three tractors and 560 bushels were hauled by twenty horses, all over roads considered impassable with heavy loads. The tractors out traveled the horses and made the trip of sixteen miles in four and one-half hours with only an occasional stop to clean the lugs. The average load hauled by each tractor was 16,000 pounds.

The American people are patient, but hyphenated propaganda will get the boot some day.

Call Out For More Physicians In State

BERKELEY—Thousands of doctors are needed in the state of California to bring the quota of practitioners up to a proper average, according to Professor W. R. Bloor of the University of California. At present there are more than 500 people for every physician to care for in the state, and the professor believes that many more doctors are needed.

Six thousand doctors would fill the requirements of the 3,000,000 people of California, but Professor Bloor says that the state universities can only turn out enough graduates to make up one-fourth of that number.

The great need for doctors forces California people to look to other states for their physicians, and many of the doctors come to California from other universities. The lack of funds and facilities at the universities in California is given as a reason for the dearth of graduates, according to Bloor. He says that the enrollment of medical students at the University of California allows for only 60 students each year. At present there are 150 men and women who have applied for admission to next semester's classes and more than half will be refused.

Neal H. Cavin Here From Imperial Valley

Neal H. Cavin, Imperial county representative for the Automobile Club of Southern California, visited M. B. Towman who recently was transferred from El Centro to the Glendale branch office as manager. Mr. Cavin was delighted by the growth of Glendale since his last trip through here some years ago.

C. A. Poore Secures His New Buick Today

Tanner & Hall, local Buick agents, today are delivering cars to C. A. Poore of 532 North Louise street, and J. D. Perkins of Eagle Rock. Mr. Tanner is more than pleased with April orders.

Another Suit Is Filed Against S. F. Capitalist

SAN FRANCISCO, April 16.—Another suit against Jafet Lindeberg, capitalist, whose affairs recently have become involved in much litigation, was on file here today.

The Pioneer Mining and Ditch company is the plaintiff. It charges that in 1909 and 1910 Lindeberg purchased fifteen mining claims in Alaska. The stockholders of the company, according to the complaint, understood the claims were company property, but in 1920, it is alleged, they learned the claims stood in the name of Lindeberg personally.

The complaint asks that the courts award title to the property to the Pioneer company.

Sees Group Of Hogs, Then Writes Of Love

DETROIT, Mich.—"I just saw a group of China hogs and I was thinking of you, darling," is what Esther N. Larabee-Stream is alleged to have written to John Dear, some days before her marriage to Dewey Stream, Canon City, Colo.

Love letters said to have been written by Mrs. Stream to Dear are being read in federal court where Lee A. Larabee, former husband of Mrs. Stream is suing for custody of their daughter. Larabee alleges Mrs. Stream is not a fit companion for the child.

Navy Department To Drill 22 Oil Wells

SAN FRANCISCO, April 16.—Acting under orders from the navy department, headquarters of the twelfth naval district today called for bids for the drilling of twenty-two oil wells in the navy oil reserves near Taft, Kern county, Cal.

According to navy authorities, the atcion was taken when experts reported there might be danger of drilling operations by the Standard Oil company on adjoining properties drawing off the oil from the navy reserves.

Drilling is to begin immediately after the bids are opened on April 25.

Says Railway Workers Have Won Big Victory

CHICAGO, April 16.—"Railway workers of the nation have won a great victory."

This was the comment of Bert M. Jewell, president of the railroad department of the American Federation of Labor today in speaking of the decision of the United States railroad labor board in ordering present working agreements abrogated July 1 and a new set of rules adopted.

"The decision upholds the principle of working agreements," he said.

Union rail officials studied the decision minutely today.

The decision ended a drawn-out fight between employes and rail management. Three months ago W. W. Atterbury, vice-prpesident of the Pennsylvania and spokesman for the roads, asked that working agreements be abrogated. Employes bitterly fought his application.

The ruling of the board is considering a "middle of the road" decision.

Atterbury's application was favored, but a new set of rules must be drawn up.

Rail management declared that the rules were costing them close to $300,000,000 a year.

Part of the decision was a victory for employes—the board went on record as favoring the making of rules for the successful operation of railroads.

DANCE GREATLY ENJOYED

A real live time was enjoyed by the sixty-five couples who attended the dance given in Eagle Rock clubhouse last night by the "13 Slickers," senior boys of Glendale Union High school, of which the following are members: Philip Begue, Art Campbell, Dean Culberson, Bernarr Dennison, William Farner, David Folz, James Hill, Tom McNary, Warren Meeker, Henry Merriken, Carroll Parcher, James Stewart and Bob White. Among the patrons and patronesses were Mr. and Mrs. R. W. Meeker, Mr. and Mrs. Paul E. Webb and Mrs. Hall. Music was furnished by a four-piece orchestra. Punch was served during the evening.

Plenty Of Benefits For Ford Employees

Many of the Los Angeles Ford dealers have been asked from time to time exactly how the Ford employe takes advantage of the many employe's benefits Mr. Ford has offered to all who work at his factories. Let us follow the daily routine of the average Ford worker at Detroit.

If this Ford man has been frugal, as many of them have, he will arrive at work in a Ford car. During his morning's work he may be stricken with toothache or headache, whereupon he will visit the Ford doctor or dentist for relief. At noon he is served with a lunch consisting of sandwiches, fruit, hot coffee or soup, and after that he may see a Ford safety film. On pay day, after subtracting living expenses, he may deposit the remainder toward a Ford investment certificate.

Finished with the day's work, he can go to the shoe store for himself or son, who is in school; or to the grocery store, where, among other things, he can buy a sack of flour made from wheat grown on Henry Ford's farm—where Fordsons do the work—and ground in Henry Ford's flour mill, and then hauled by Ford trucks to the Ford store. He may want to order a custom-made suit, and maybe a tooth brush is all he needs, but he can get it at a Ford store. Everything is sold at cost to Ford men.

If the Ford man wants to rent anything he goes to the Ford rental exchange; legal advice is given him by the legal aid department. But possibly he is a student in the Ford school; in that case he attends class after work, and stops in the Ford library on the way out. And then he may go to the Ford athletic field for a set of tennis or for baseball practice.

For the convenience and safety of motorists in England, signs attached to the roadside telephones are to be illuminated, that they may be more easily located after dark. Through a telephone system, operators of cars are able to obtain help from the motorcycle repair patrols which keep in constant touch with the call of the system.

FIRST 1921 NASH 4 IS DISPLAYED BY E. B. SUTTON

DEMONSTRATIONS ARE BEING MADE; NEW CAR IS UP TO STANDARD FIXED

It has arrived!

The first 1921 Nash Four is here and E. B. Sutton of the Glendale Nash Sales, 207 North Brand boulevard, is ready to demonstrate the latest product which has a motor duplicating that of the Nash Six except that two cylinders are cut off. It is one of the neatest-looking power plants possessed by any car and according to Mr. Sutton the vibration, which is the bane of four-cylinder engines, is eliminated by the counter-balanced crankshaft.

The new Four is up to the Nash standard in every respect, equipped with cord tires and built to sell at $1645 whichh places it in a distinctive class of moderately-priced cars, which combine quality and economy.

Car for B. F. Cook

Speaking of sales, Mr. Sutton is delivering this week-end a Nash Six with a California top—plate-glass windows and wind guards—to B. F. Cook of 615 North Brand boulevard. It is a beauty, painted in the popular Nash blue and it is attracting a great deal of attention.

The Glendale Nash Sales also is delivering a sedan today to G. G. Steer of Van Nuys who has owned a Nash for two years and is more than pleased with its performance.

Increase Is Recorded In Canada's Machines

Canada's official registration of automobiles for 1920 totals 403,111. This is an increase over the 1919 registration of 47,687 cars, or 13.4 per cent. The increase of 1919 registrations over that of 1918 in the Dominion was 85,706 cars. The 1920 increase was by no means as marked as in other years. Reasons assigned by the trade quite agree as to the cause. Increased price was not so much a factor as inability of agents to guarantee delivery on orders placed in the winter of 1919-1920.

In the winter of 1918-1919 the demand has been enormously in excess of manufacturers' capacity. The armistice brought a flood of orders. Money was the cheapest thing in the Dominion. The agarian interests were never so flourishing. Men from the farm were in the market for cars whose pre-war conception of luxuries was confined to a fairly serviceable single horse buggy. Others with cheap grades of cars were discarding them for the more expensive types. In other words, Canada, like the rest of the world, was reacting from the rigid economies enforced by war conditions.

FACTS ABOUT ROADS COVERING STATE TO BE GIVEN

M. B. TOWMAN, LOCAL MANAGER FOR AUTO CLUB, TELLS OF ROUTE PLANS

Road information covering the entire state of California in a more comprehensive degree than ever will be provided in the future by the Automobile Club of Southern California. This announcement was made today by M. B. Towman, who recently took charge of the Glendale office, as already told in The Evening News. The announcement was made following a decision of club officials to cover all highways of the state every three weeks. Although in the past the club has supplied thorough information on the state roads, this new departure will make the road information more up to date than ever.

"A club car has just completed the recharting of San Diego and Imperial counties, where fishing information was also secured," said Mr. Towman.

"All counties in the southern part of the state are rapidly being recharted by the club for new maps and signs. Among those which have been completed recently are Santa Barbara, Ventura, San Luis Obispo, Riverside and San Bernardino.

"A club truck has just left for Death Valley and the desert region surrounding it for the purpose of signposting all roads in that vicinity as well as the water holes near these roads.

"Some interesting information was issued today by the county club office to the effect that gasoline in England now costs 50 cents a gallon and up. Motorists over there are paying one pound per horsepower for an annual motor license, besides which they pay $2.50 extra for the use of license plates. A driver's license is additional to this."

When driving ball bearings into place some form of soft metal yoke or tubular section should be used.

Motion Picture Censor Measure Is Defeated

SACRAMENTO, April 16.—The senate has refused, 9 ayes to 26 noes, to withdraw from the judiciary committee Senator Eden's bill creating a state board of motion picture review. The committee had refused to report the measure to the floor of the house.

In the course of his argument, Eden said one of the chief reasons for enactment of a Sunday ordinance recently in Pomona was the indecency of the motion pictures being exhibited.

Denouncing "blue laws," Senator Sample declared: "If the time ever comes when I cannot take my family to a motion picture or baseball game on Sunday I will leave the state."

This statement was vigorously applauded by the gallery, where several hundred high school pupils from Berkeley and Sacramento sat.

COULD BE BOUGHT OFF

Alice was staying with her father one evening while her mother was away. The father, while reading, was wiggling the floor lamp and Alice spoke up: "You know mamma does not want you to play with that lamp." She waited a minute, then added: "If you will give me a nickel I won't tell her."

ORDINANCE NO. 438

AN ORDINANCE PROVIDING FOR THE ISSUE OF BONDS OF THE CITY OF GLENDALE IN THE SUM OF $100,000, FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS IN CONNECTION WITH THE WATER WORKS AND SYSTEM OF THE CITY OF GLENDALE.

WHEREAS, The Board of Trustees of the City of Glendale at a regular meeting thereof held on the 13th day of January, 1921, by a vote of more than two-thirds of all its members, duly passed and adopted a resolution declaring that the public interest and necessity demanded the acquisition and construction by the City of Glendale of certain municipal improvements in connection with the development, extension and operation of the water works system of the city as hereinafter described, and that the estimated cost of said improvement was ONE HUNDRED THOUSAND ($100,000.00) DOLLARS, and that such cost was, and will be, too great to be paid out of the ordinary annual income and revenue of said city; and,

WHEREAS, The Board of Trustees of the City at a regular meeting thereof, on the 24th day of February, 1921, by a vote of two-thirds of all its members, duly passed and adopted an ordinance, being Ordinance No. 428, calling a special election and submitting to the qualified voters of said City the proposition of incurring a debt in the sum of ONE HUNDRED THOUSAND ($100,000.00) DOLLARS for the acquisition, construction and completion of a certain municipal improvement, to-wit: Pipes, pipe lines, transmission mains and suitable fittings and attachments therefor, in connection with the development, extension and operation of the municipal water works and system, and the said ordinance was thereupon duly published for seven days, beginning on the 28th day of February, 1921, and ending the 7th day of March, 1921, in "The Glendale Evening News," a daily newspaper of general circulation printed, published and circulated in the City of Glendale, at least six days a week; and,

WHEREAS, Such special election was duly held on the 29th day of March, 1921, as provided by said ordinance calling the same, and by law for holding municipal elections in said City, and the proposition of incurring a bonded indebtedness of ONE HUNDRED THOUSAND ($100,000.00) DOLLARS for the acquisition and construction by the City of Glendale of that certain municipal improvement above described received more than two-thirds of the votes of all voters voting at such special election; and,

WHEREAS, All and singular the provisions of the Act of the Legislature of the State of California, hereinafter mentioned, and acts amendatory thereof, and ordinances of said City have been fully complied with, so as to authorize the, issuance of said bonds:

NOW THEREFORE, The Board of Trustees of the City of Glendale do ordain as follows:

SECTION 1. That bonds of the City of Glendale in the sum of ONE HUNDRED THOUSAND ($100,000.00) DOLLARS be issued in accordance with the provisions of the Act of the Legislature of the State of California, entitled "An Act Authorizing the Incurring of Indebtedness by Cities, Towns and Municipal Corporations for Municipal Improvements and Regulating the Acquisition, Construction or Completion Thereof," which became a law February 25, 1901, and subsequent amendments thereof, and with the ordinances of said City, for the purpose of acquiring, constructing and completing the improvement above described. That said bonds shall be of the denomination of ONE THOUSAND ($1,000.00) DOLLARS each, and shall be One Hundred (100) in number and shall be numbered from "One" to "One Hundred" both inclusive; and,

THAT, Said bonds are being issued for the acquisition, constructing and completion of authorized revenue producing improvements and said Board of Trustees of said City of Glendale hereby determine and fix the date for the earliest maturity for the principal of any of said bonds to be May 1, 1926, and said bonds shall be numbered and payable in the following manner:

Bonds Nos. 1 to 4 inclusive, May 1, 1926;

Bonds Nos. 5 to 8, inclusive, May 1, 1927;

Bonds Nos. 9 to 12, inclusive, May 1, 1928;

Bonds Nos. 13 to 16, inclusive, May 1, 1929;

Bonds Nos. 17 to 20, inclusive, May 1, 1930;

Bonds Nos. 21 to 24, inclusive, May 1, 1931;

Bonds Nos. 25 to 28, inclusive, May 1, 1932;

Bonds Nos. 29 to 32, inclusive, May 1, 1933;

Bonds Nos. 33 to 36, inclusive, May 1, 1934;

Bonds Nos. 37 to 40, inclusive, May 1, 1935;

Bonds Nos. 41 to 44, inclusive, May 1, 1936;

Bonds Nos. 45 to 48, inclusive, May 1, 1937;

Bonds Nos. 49 to 52, inclusive, May 1, 1938;

Bonds Nos. 53 to 56, inclusive, May 1, 1939;

Bonds Nos. 57 to 60, inclusive, May 1, 1940;

Bonds Nos. 61 to 64, inclusive, May 1, 1941;

Bonds Nos. 65 to 68, inclusive, May 1, 1942;

Bonds Nos. 69 to 72, inclusive, May 1, 1943;

Bonds Nos. 73 to 76, inclusive, May 1, 1944;

Bonds Nos. 77 to 80, inclusive, May 1, 1945;

Bonds Nos. 81 to 84, inclusive, May 1, 1946;

Bonds Nos. 85 to 88, inclusive, May 1, 1947;

Bonds Nos. 89 to 92, inclusive, May 1, 1948;

Bonds Nos. 93 to 96, inclusive, May 1, 1949;

Bonds Nos. 97 to 100, inclusive, May 1, 1950;

Said bonds shall be dated May 1, 1921, and shall bear interest at the rate of six (6%) per cent. per annum payable semi-annually on the first day of May and the first day of November of every year; both principal and interest shall be payable in gold coin of the United States. Said One Hundred bonds shall be payable at the office of the City Treasurer of said City on the dates hereinbefore provided, together with interest on all sums unpaid at such date, and said bonds shall be substantially in the following form, to-wit:

No..... $1000.00

UNITED STATES OF AMERICA,
STATE OF CALIFORNIA,
CITY OF GLENDALE,
WATER WORKS ELECTION 1921
BOND

Glendale, California,
May 1, 1921.

On the first day of May, A. D. (year of Maturity) the City of Glendale will pay to the bearer at the office of the City Treasurer of the City of Glendale the sum of ONE THOUSAND AND NO-100ths ($1,000.00) DOLLARS with interest at the rate of six (6%) per cent. per annum, payable semi-annually on the first day of May and the first day of November, in each year, as specified in the interest coupons hereto attached, at the office of the City Treasurer upon the presentation and surrender of said interest coupons. Principal and interest payable in gold coin of the United States. This bond is issued in pursuance of the provisions of an Act of the Legislature of the State of California, entitled "An Act Authorizing the Incurring of Indebtedness by Cities, Towns and Municipal Corporations for Municipal Improvements, and Regulating the Acquisition, Construction or Completion Thereof," which became a law February 25, 1901, and subsequent amendments thereof.

IT IS HEREBY CERTIFIED that all the requirements of law and of the ordinances of the City of Glendale have been duly complied with by the proper officers for the issuance of this bond; that this issue of bonds has been duly authorized by the vote of two-thirds of all voters voting at a special election duly and regularly called and held in said City on the 29th day of March, 1921, and that the total amount of this issue, together with all indebtedness of said City does not in the aggregate exceed fifteen (15%) per cent. of the assessed value of all the real and personal property of said City of Glendale, nor does it exceed the limit prescribed by the constitution and laws of the State of California.

This bond is issued for the purpose of acquiring, constructing and completing improvements of the municipal water works and system for said City of Glendale.

IN WITNESS WHEREOF, The said City of Glendale has caused this bond to be signed by the executive of said municipality, to-wit: The President of the Board of Trustees of the City of Glendale, and also by the Treasurer of said City, and to be countersigned by the Clerk of said City and the corporate seal of said City to be affixed hereto; and the City has also caused the coupons hereto attached to be numbered consecutively and signed by the Treasurer of said City of Glendale.

.....
President of the Board of Trustees of the City of Glendale.

.....
Treasurer of the City of Glendale.

Countersigned by .....
City Clerk, City of Glendale.

That interest coupons shall be attached to each of said One Hundred bonds, representing each installment of interest to accrue on such bonds up to maturity thereof, which said interest coupons shall be substantially as follows:

On the 1st day of ..... (month of maturity) A. D., ... (year of maturity), the City of Glendale promises to pay the bearer, at the office of the City Treasurer of the City of Glendale the sum of THIRTY ($30.00) DOLLARS, in gold coin of the United States, the semi-annual interest due on Water Works Election 1921, Bond No. ..... (number of bond to which coupon is attached).

.....
Treasurer of the City of Glendale.

SECTION 2. That the President of the Board of Trustees of the City of Glendale, being the Executive of the municipaltiy, and the City Treasurer of said City, are hereby authorized and directed to sign all the bonds herein provided for, and the City Clerk is hereby authorized and directed to countersign the same and affix the corporate seal of the City of Glendale thereto, and the City Treasurer of the City of Glendale is hereby authorized and directed to sign the interest coupons of said bonds, and said bonds shall be delivered by said City Clerk to said City Treasurer in such amounts as the Board of Trustees of said City may from time to time determine. The City Treasurer is hereby authorized to sign all of said interest coupons by his engraved or lithographed signature.

SECTION 3. That for the purpose of securing and providing for the payment of the principal and interest of said bonds, there shall be created a fund to be known as the "Water Works Election 1921 Bonds Interest and Sinking Fund"; that all of the money which from time to time shall be placed in said fund shall be, and is hereby set apart exclusively for the purpose of meeting all sums coming due for principal and interest on all of the aforesaid bonds which may be issued under the proceedings hereinabove recited; and the Board of Trustees of said City shall at the time of fixing of the general tax levy, and in the manner for such general tax levy provided, levy and collect annually each year until said bonds are paid or until there shall be a sum in the Treasury of said City set apart for that purpose sufficient to meet all sums coming due for principal and interest on such bonds, a tax sufficient to pay the interest on such bonds as it falls due, and also to constitute a sinking fund for the payment of the principal thereof on or before maturity.

Said tax shall be in addition to all other taxes levied for municipal purposes, and shall be collected at the same time and in the same manner as other municipal taxes are collected, and be used for no other purpose than the payment of said bonds and accruing interest.

SECTION 4. The proceeds of the sale of said bonds shall be placed in the City Treasury to the credit of a fund known as the "Water Works Election 1921 Bonds Fund," and the same shall be applied exclusively to the purposes and objects mentioned in this ordinance.

SECTION 5. That all orders, ordinances or resolutions in conflict with this Ordinance are hereby repealed, rescinded and annulled.

SECTION 6. The City Clerk shall certify to the passage of this Ordinance, and shall cause the same to be published once in the "Glendale Evening News," a daily newspaper of general circulation printed, published and circulated in said City, and thereupon and thereafter it shall be in full force and effect.

Adopted and approved this 14th day of April, 1921.

DWIGHT W. STEPHENSON.
President of the Board of Trustees of the City of Glendale.

Attest:
J. C. SHERER,
City Clerk of the City of Glendale.

STATE OF CALIFORNIA,)
COUNTY OF LOS ANGELES, (SS.
CITY OF GLENDALE.)

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the foregoing Ordinance was passed by the Board of Trustees of the City of Glendale, State of California, and approved by the President of said Board at a regular meeting thereof, held on the 14th day of April, 1921, and that the same was passed by the following vote:

Ayes: Bartlett, Henry, Lapham, Robinson, Stephenson.
Noes: None.
Absent: None.

In Witness Whereof, I have hereunto set my hand and affixed the seal of the City of Glendale this 14th day of April, 1921.

J. C. SHERER,
City Clerk of the City of Glendale.

Ford

THE UNIVERSAL CAR

"The Ford Touring Car"

HERE is the greatest motor car in all the world. Great because there is more of it in use than any other car in the world. Great because that in our demand for a million and a quarter Ford cars this year fully 50 per cent of the demand is for the Touring Car. Surely every Ford touring car is a car of great service. You see it wherever you go, day or night, shine or rain, summer or winter—the ever-faithful Ford Touring Car is delivering service and satisfaction, pleasure and economy, in a larger measure than falls to the lot of any other one piece of mechanism in the world.

We can now deliver Ford cars to you with reasonable promptness. Leave your orders without delay, if you would be wise.

Demountable rims can now be obtained as optional equipment on the Ford Touring Car and Runabout, at an additional charge of only $25.00 plus excise tax.

CROWN CITY SQUAD TAKES ALL GAMES FROM LOCALS

GLENDALE ELKS BOWLING TEAM VISITS PASADENA; SOCIAL TIME IS ENJOYED

Glendale Elks' bowling team met defeat last night at the hands of the Pasadena Elks' team, losing all three games to the Crown City players. A party of sixty local Elks and their ladies accompanied the players of No. 1289 to Pasadena. The bowlers and score follow:

Pasadena

Bogart	183	189	172
Rungen	168	153	187
Hopping	155	142	170
Wilburn	147	167	157
Sehay	183	166	185
	836	817	871

Glendale

Apffel	164	179	166
Caswell	137	157	135
Heusman	158	128	190
Holborow	145	163	133
Fortunato	166	158	166
	770	785	790

Following the games the Pasadena Elks and ladies entertained the Glendale representation. Lunch was served and music for dancing furnished.

Babe Ruth Too Heavy About His Waistline

NEW YORK, April 16. — Babe Ruth happens to be Babe Ruth. Otherwise he probably would be rubbing elbows with the bench warmers. So far in this very brief dash somewhere for the Yankees, the slugger king has been an awful bust. His hitting has been good enough—.550, but his fielding has been just about the same—fifty-fifty.

With a roll around his waist that has him about thirty pounds overweight, the bambino is too fat to bend over after them and too slow to get back under them. In company with Bob Meusel in right and Ping Bodie in left the babe is helping the Yanks to get the worst outfield in baseball.

When the bambino gets his home run machinery in working order he may win many games for the Yanks. but he'll lose many more if he doesn't get in condition to field as he did last year, which, of course, was far from the Speaker variety of skill.

In the opening game Ruth let a drive by him because he couldn't bend over to get it. The same thing happened yesterday. His throwing has been poor and his volume has forced the none too fast Bodie to cover part of his territory.

In the opener Babe smashed a terrific clout clear out to the center field fence. A fast man like Sam Rice could have made it clear around in a romp. But Ruth was thrown out at third and pulled up puffing like a mountain locomotive.

He got five hits in the opening game by taking a normal cut at the ball. Thursday he tried to murder it and didn't get a single safety.

Back in the days of the bicycle, New Jersey was called "the mother of good roads."

NEW SALES PLAN
PRESENTS
Exceptionally splendid opportunity
For an energetic man in every locality to get into a good business, selling a small, well known tractor and implements. Price is reasonable. Large stock of tractors and implements for immediate delivery. Tractor easily handles one horse work in plowing, cultivating and other ranch work. Orchard or garden. Hundreds of places everywhere need it for economy and efficient work. You can make money for yourself and establish a good paying business of your own if willing to work. Small investment required. Act quick. This is the best season for sales. Write for particulars.

San Francisco Handed Trimming By Oakland

SAN FRANCISCO, April 16.—It was up to the Seals today to make a new start. Just as the fans were looking up the dope to see what was the Coast league record for uninterrupted winning streaks, the Oaks came over from across the bay yesterday and tread all over the Seals' hopes. They beat the San Francisco bunch, 5 to 2, and did it right handily. The Seals had won ten straight games.

The record is said to be held by the Angels with fifteen straight victories at the opening of the 1903 season.

The remarkable part of it is that the Angels' winning streak ended eighteen years ago yesterday. The Seals broke it with a 6 to 0 victory. While the Oaks were beating the Seals, Salt Lake and Seattle were staging a little battle of their own, Salt Lake winning 13 to 11 in ten innings. It was largely a slugging affray.

Los Angels beat Vernon 5 to 3, and Sacramento took a 4 to 2 victory from Portland.

Central Avenue School Fathers' Night Enjoyed

Central Avenue School's Fathers' Night, which was held at the school last evening, was a decided success. All mothers and fathers were requested to come dressed as school boys and girls, and their costumes created a great deal of merriment throughout the evening. A very pleasing program of fancy dancing, piano selections and recitations was enjoyed, after which pie and coffee were served. The evening's entertainment was in charge of Mrs. W. A. Campbell.

J. P. M'Carthy Is Bitten On Leg By Dog

While returning home from work in Eaggle Rock yesterday afternoon J. P. McCarthy, painting contractor of 1007 East Lomita avenue, was painfully bitten in the calf of his leg and thrown from his bicycle by a large and ferocious dog. Mr. McCarthy was unable to continue his ride home until he had received medical attention.

DR. W. MARTIN SPEAKS

Dr. W. Martin, pastor of the First Methodist Episcopal church of Hollywood, delivered a splendid address before the Men's Brotherhood of the First Methodist Episcopal church of Glendale last night, his topic being "Rebuilding the Nation." Dr. Martin told of the proportion of money collected by the government which is being used to pay interest on the war debt. He also told of this same problem in other countries. The readjustments from warfare to peacetime occupations was also discussed by him. He urged conservation.

Dignity dwells not in dress or manner, but in conduct.

LOCAL HIGH SCHOOL LOSES BALL GAME TO MONROVIA

GLENDALE DROPS CONTEST BY SCORE OF 11 TO 4 AS LIGHTS TURNED ON

For the second time within a period of four days the Glendale High school baseball team has tasted the bitter pill of defeat before hundreds of its local followers, yesterday's game going to Monrovia by the lopsided score of 11 to 4. The Glendale horsehide chasers have one consolation to nurse, however, said solace being the fact that the green-and-white clad Monrovia athletes did not earn their victory entirely by results of their own efforts, but that they were indirectly aided by Thomas A. Edison.

The foregoing statement may seem rather far-fetched, but nevertheless it's true. In the latter stages of yesterday's contest the shades of night were falling with so much rapidity and contempt for the affairs of mere mankind that activities for the afternoon were about to be called off when some modern magician suddenly turned night into day by lighting the field with four large incandescent lamps. As Edison is the so-called father of the incandescent lamp and as Monrovia is nearer than Glendale to Edison's Orange, New Jersey, laboratories, it is a simple matter to understand why the visitors were more at home under the glare of electric lights than were our home boys.

Takes Lead in Second

Monrovia stepped into the lead in the second inning with three runs on as many hits and an error by Glendale's left fielder. From then on they were never headed, scoring in each succeeding inning except the fourth.

Glendale tried hard at all times, but the dusky Shaw brothers, who did the hurling for the visitors, kept them out of danger at all times.

Aageson started for Glendale, but found the sledding so rough that he gave way to Woods in the sixth. Monrovia intimated that they showed no partiality to pitchers, and proceeded to score five times in the remaining four innings.

Mrs. George W. Pierce Hostess At Luncheon

Mrs. George W. Pierce of 207 East Maple avenue entertained with a very pretty and elaborate five-course luncheon yesterday. The guests were members of the Pacific chapter, O. E. S., Linen club of Los Angeles.

The color scheme was pink and white. A profusion of pink and white sweet peas filled the rooms. The centerpiece of the dining table was quite unusual and very beautiful. A lovely hand-painted bolting cloth centerpiece, done in pink and white pond lilies, on which was placed a large bowl of real pink and white pond lilies and leaves, adorned the table. During the afternoon 500 was played.

The guests included Mrs. O. A. Short, Mrs. George Miller, Mrs. James McDowell, Mrs. Lewis Wood, Mrs. Laura Norton, Mrs. B. Broadhead, Mrs. Reed, Mrs. Volbrecht, Mrs. John Fisher, Mrs. Alvena K. Potter and Mrs. George W. Pierce.

Requests For Transfer Of Service On File

Orders for new electric light meter installations and requests for transfers of service received at the public service department yesterday were as follows:

Edwards, Wildey and Dixon, 608 West Lexington; A. L. Blodgett, 825 South Verdugo; C. of C., 115 West Broadway; Mrs. H. L. Seagar, 437 Ivy; L. J. Ohlman, 463 Salem.

D. Underwood, from Apartment 4, 106 South Brand; W. B. Croft, from 161 South Central to Los Angeles; R. E. Millimore, from 207 Hawthorne; E. E. Adams, from 408 East Elk to La Crescenta.

The druggist probably could tell something about the modern girl who is the pink of perfection.

PRACTICAL VOLUMES ARE RELEASED AT LOCAL LIBRARY

AUTOMOBILE ENGINEERING IS DESCRIBED; FIVE BOOKS ON CARPENTER CONTRACTING

Some very interesting books were released at the public library on Harvard street Thursday, as the following list will show. This includes both fanciful and practical books.

"The Four Horsemen of the Apocalypse," translated from the Spanish of Vincente Blasco Ibanez by Charlotte Brewster Jordan. A superb drama of modern life, leading up to and describing the first stage of the Great War in France. The "Four Horsemen" are Pestilence, War, Famine and Death, who precede the Great Beast of the Book of Revelations.

"Scarlet and Purple," a story of souls and "signs" by Sydney Watson. This book is a message to myriads in the churches, as well as to those outside.

"The Ladies of Dante's Lyrics," by Charles Hall Grandgent.

"The Toilers of the Field," by Richard Jefferies.

"A History of English-Canadian Literature to the Confederation," by Ray Palmer Baker, Ph.D.

Studies in New Japan

"Out of the East," reveries and studies in new Japan,, by Lafcadio Hearn.

"What's in Your Name?" the science of letters and numbers, by Clifford W. Cheasley.

"What Every Woman Knows," a comedy from the play of J. M. Barrie.

"Fifty Contemporary One-Act Plays," by Frank Shay and Pierre Loving.

"Two Years in the French West Indies," by Lafcadio Hearn.

"Mediaeval Spanish Allegory," by Chandler Rathfon Post. Part 1 takes up the nature of Mediaeval Spanish allegory and Part 2 the evolution of Mediaeval Spanish allegory.

Automobile Engineering

Six volumes on automobile engineering, as follows:

Volume 1—Motors, Engine Parts, Carburetors, Lubrication, etc.

Volume 2—Clutches, Transmission, Chassis, Final Drive, Running Gear, etc.

Volume 3—Ignition, Lighting, Starting Systems, Wire Diagrams, etc.

Volume 4—Starters, Wire Diagrams, Ford Starters, Battery Care, Instructions.

Volume 5—Welding, Shop Kinks, Garages, Motorcycles, Steam Cars, etc.

Volume 6—Tractors, Commercial Cars, Electrics, Index, etc.

Five volumes on carpentry and contracting, as follows:

Volume 1—Carpentry, Steel Building, Steel Square, Plastering, Painting, etc.

Volume 2—Blue Print Reading, Mechanical and Architectural Drawing, Sheet Metal Work, etc.

Volume 3—Building Superintendence, Frame Structures, Underwriters' Requirements, etc.

Volume 4 — Heating, Ventilation, Steam Heating, Water Supply, Drainage.

Volume 5—Estimates, Contracts, Specifications, Legal Relations, Building Code.

On Civil Engineering

Nine volumes of the Cyclopedia of civil engineering, as follows:

Volume 1—Surveying, Plotting, Topography, Highway Construction.

Volume 2—Railroad Engineering, Economics, Excavating Machinery.

Volume 3 — Steel Construction, Design, Practical Problems.

Volume 4—Estimating Statistics, Roof Trusses, Contracts, Specifications.

Volume 5—Bridge Design, Specifications, Strength of Material.

Volume 6—Masonry, Re-enforced Concrete, Design, Construction.

Volume 7—Water Supply, Sewers, Drains, Sewage Disposal.

Volume 8—Water Power Development, River and Harbor Improvements.

Volume 9—Dams-Weirs, Irrigation, Cost Analysis, Index.

MRS. CAMPHOUSE HOSTESS

Mrs. John Camphouse of 217 East Maple avenue entertained with a very clever dinner party last night in celebration of Mr. Camphouse's birthday. Covers were laid for 16. The decorations were carried out in the Dutch idea. Little crocheted Dutch shoes contained the candies. The places for the guests were marked with little Dutch placecards. The centerpiece was also of the Dutch tulips.
